Staff News Staff News Staff News

We have been really pleased to have two excellent temporary staff with us over the last year. Miss Halpin who covered Miss Jennings and then Mrs Hargest’s maternity leave, and Miss Salmon who covered my teaching commitment while I have been Acting Headteacher. We now know that Miss Halpin will take up a teaching post in Cyprus in September and Miss Salmon will be closer to home in Newmarket. I would like to thank them for all their hard work for us over the last year and wish them every success in their new posts.

The keen eyed among you will have noticed that Miss Jennings is expecting a baby, she will begin her maternity leave in September, arrangements are now in hand to cover her absence.

Goldilocks!

As part of the Communication, Language and Literacy Development program we have been participating in, we are having a visit from the Booster Theatre Company who will perform Goldilocks for the whole school on 15th June. We are pleased to have this opportunity to enrich the children’s language.

Emergency Contact Details

Please make sure that your contact details are up to date, and the office is informed of any changes in address or telephone numbers. This is always important, but we have been asked to remind parents of this in the light of the swine ‘flu outbreak. I have also as a precaution, revisited health and hygiene “rules” with the children, asking them to wash their hands frequently and use tissues. These are good principles in any situation, but particularly worthy of a reminder at the moment.
