Thank you for helping!

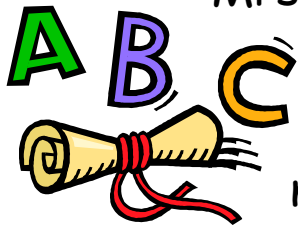

It has been brilliant to have four extra adults volunteer to come into school to hear readers. It makes a huge difference when the children are heard regularly. The time commitment can be as little or as much as you would like, either in your child's class or another class if you prefer. All adults that help in school have their identity confirmed and CRB checks carried out. If you would like to help, please come and talk to us. Class teachers will help with what to do and this support really will make a difference to a child's confidence and learning.

Barney has a new home

Barney Bear went home to live with Ashley in year 1 on Wednesday. Jane from Barnardo's came back to school and in assembly an envelope was drawn out of the box of all those returned. Ashley was delighted and says she will give him lots of cuddles! We looked at Nyssa's bean which is growing well and Jane has taken all the envelopes away. A further prize will be sent by Jane for the bean that has grown most so far according to the measurement on the envelope. Jane asked me to pass on her thanks as an excellent £300.35 was raised to help children and young carers. If your child's envelope is still at home, please send it in with their donation as each child receives a certificate and key ring for taking part.

Early Years Phonics and Numeracy Afternoon

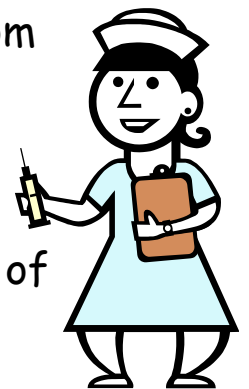

Mrs Cianciola and Mrs Hargest enjoyed welcoming Nursery and reception parents into school on 6th May for a practical session looking at phonics and numeracy learning in school and at home. Mrs Cronk, a visiting teacher, also helped with the session and was impressed by everyone's enthusiasm. We would like to run other events like this - please let the office or your child's class teacher know if there is an area of school life or learning that you would like to find out more about.

Shower-proof, reversible fleeces

We have had some requests for the shower-proof, reversible school fleeces. These would be £14 each. If we are to go ahead with this, we need a minimum order of 8 - please let the school office know by half term if you would like to order a coat or find out more about them. We will order some of the ordinary school fleeces ready for September. These will be £8 each.

Parent Drop In

Georgie Partridge will be in school on Monday 17th May from 2.45pm. She is part of the School Nursing Team and can answer questions on any child health related area that you would like to find out more about. No appointment is necessary, just call in at the school office around the end of the school day.

Firm Foundations

School Council and Writers' Club walked up to see our new school site on Monday afternoon. We met Mr Brundle, the site manager, who explained all about the foundation trenches that are now being filled with concrete. The first bricks should be laid on Monday 24th May. We looked at the new tarmac path near the zebra crossing and watched as the diggers and dumpers were laying a temporary road at the back of the site to get lorries in and out easily.

Amazon and Jack, our year 4 councillors, will help me show some photographs to the children in an assembly next week so we can all see the quick progress that is being made.

With best wishes from

Mrs L Farrow
