

CLEMENTS CHRONICLE

Issue 2 June 2010

Firm Foundations - by Ælun Crombie

School Council and Writer's Club enjoyed a trip to the new school site.

They met Mr Brundell, from Barnes Construction, to see how well the new school site was progressing.

"The trip was brilliant. I'm just looking forward to when it's finished" enthused Ælun, aged 9. The blue lines were spray painted so the diggers knew where to dig. Most of the blue lines would be classrooms. On site an excavator was seen. Its' biggest bucket carried half a ton. Amazon and Jack Handley-Howard talked the pupils through a few pictures in an assembly.

We are looking forward to going again after the 24th May when brick walls have been laid.

Amelia's Fashion Tips for the summer!

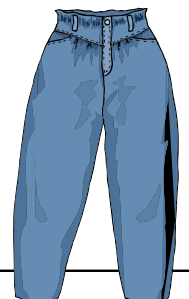

For Girls!

A really brilliant outfit would start with brightly coloured flip flops. (£2 a pair in Primark), a pair of black or blue skinny jeans which are reasonable at Matalan or Primark and a bright coloured vest top would complete your outfit. Brightly coloured summer dresses are also in this year. Accessories can add to your outfit for example, you can buy sun glasses any colour to match what you are wearing.

For Boys!

A cool outfit for boys would be a white top, grey cardigan and a black tucked in tie that you do up at the back with Velcro. Jeans are always a good option to wear with anything! Boys can wear pumps which can be any colour, either Velcro or lace ups are good.

Book review - Sophia Davies

Title: Movies, Makeovers and BIG surprises

Author: Becky Brookes, Pennie Brown, Sarah Delmege, Kirsty Neale and Caroline Paisted.

What is the story about? This story is about lots of people and their secrets. The people in this story are best friends. It is 10 short stories written into diary entries.

I recommend this book to children in year 3 and above. It is all about love and has little pictures and quite a lot of writing. This book is FAB!

Miley Cyrus IS Hannah Montana! Paulina Hryszko

Miley's biggest secret in Hannah Montana was that she just dressed up as Hannah Montana.

Friendship means everything to Miley, she loves wearing nice clothes and making people happy. She loves animals and she cares about them. Miley's favourite author is Roald Dahl, she loves reading books. Her worst habit is biting her nails. Her favourite colour is sea foam green.

Her dad is called Billy Ray Cyrus and her mum is called Letisha Ray Cyrus. She lives in the USA.

You mostly find Hannah Montana on the Disney Channel or there are new programmes of Hannah Montana on the Suite Life on Deck.
